Features & benefits

Superior design that meets AU Standards

Infrastructure Products Australia' GMS cover range is designed and built up to a Class D load rating, meeting the Australian Standard AS/NZ 3996.

Hinged for OH&S

Infrastructure Products Australia' GMS cover range is hinged to meet OH&S standards, ensuring a safe and easy lift of the covers.

Locking and security capabilities

Our GMS cover range has locking and security capabilities to ensure the utmost protection for your valuable assets.

Full specifications

Material	GMS covers are constructed from galvanised mild steel to prevent premature rust and corrosion, thereby increasing the lifetime of the cover. GMS material provides a strong and robust solution for asset protection.
