MULTIDUCT™ GASKET 9 WAY

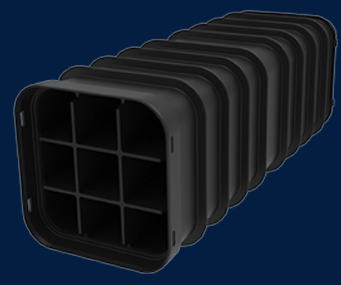

Product Code: 50201243

This duct was designed with nine slots to carry nine different electrical wires simultaneously. It can be easily assembled and run in between Stakkabox pits.

MATERIAL
High Density Polyethylene (HDPE)

SIZE
1110mm (L) x 372mm (W) x 372mm (D)

LOAD RATING
B

Features & benefits

Lightweight

Weight under 16kgs

Quick Assembly with Secure One Click Connection System

Takes a few minutes to install, no tools are required

Applications

Nine slots for nine applications

Full specifications

Material	Manufactured from high density polyethylene (HDPE), MULTIduct™ offers a lightweight, high strength to weight unit. With parts weighing below 20kg MULTIduct™ offers significant health and safety advantages permitting a single person lift and install.
Australian Standards	AS 3996: 2019
How it works	Interlocking male and female clips makes installation process seem like a puzzle. Installation is as easy as lining the clips together and clicking the duct into place. Interior of the ducts is seamless and eliminates disengagement during cable pulling.
