

ELECTRICAL CONCRETE PIT

Product Code:

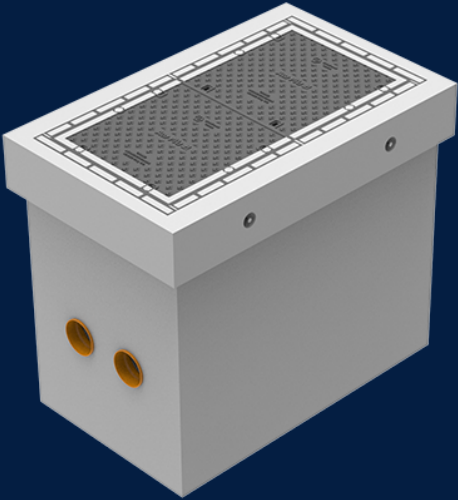

Infrastructure Products Australia's Precast Concrete Custom Pits allow our customers to manufacture pits for the project's requirements. Working with our team to design a pit to your required depth means eliminating the need to place risers on top of the pit to bring it out to the project level and having the ability to form cast-in blockouts to suit each pit specifically.

 MATERIAL
Composite, Ductile Cast Iron, Galvanised Mild Steel (GMS), Precast Concrete

 SIZE
900mm (L) x 600mm (W) x (D)

 LOAD RATING
D

Features & benefits

Manufactured by Injection Moulding Process
